

Government Polytechnic - Porbandar**Computer Engineering Department****Student Project - II (3360707)****Term: Summer-2022****Project Group No.:** CE14**Guide Name :** V.N.Dangar**Project Title:** Multipurpose Converter**Project Name:** A website to use basic converters at one place

Sr. No.	Project Group Member No.	Enrollment No.	Name of Student
1	M1	196270307058	Satyadev Manthan
2	M2	196270307512	Kakoo Vivek
3	M3	196270307033	Lodhari Jash
4	M4	196270307508	Dhanesha Yash

Date	Hours	Details Of Work Carried Out	Remarks Faculty/Guide
20/12/2021	4	Implemented Age, Pressure and Discount Converters	Good
27/12/2021	4	Implemented Area, BMI and Time Converters	Good
3/1/2022	2	Implemented Mass and Data Converters	Work Done
8/1/2022	2	Worked on the design of Home page	Work Done
10/1/2022	2	Worked on the design of About Us page and Contact Us page	Work Done
15/1/2022	3	Made a separate Home page and worked on it	Work Done
17/1/2022	3	Worked on Implementation of New Currency Converter	Work Done
22/1/2022	3	Preparation of presentation-1 PPT	Comments given below
29/1/2022	2	Implemented PDF Newsletter in Home Page	Work Done

31/1/2022	3	Discussed about adding Student Corner functionality	Work Done
5/2/2022	3	Implemented Student Corner functionality and added PDF Newsletter in it	Improve web page designing
12/2/2022	2	Discussed about adding Library System	Implement DB operations
14/2/2022	3	Implemented Library model	Improve web page designing
19/2/2022	1	Imported Database	
21/2/2022	2	Learnt about Search Functionality for Library System	
26/2/2022	3	Implemented Search functionality in Library system	Work Done
28/2/2022	2	Worked on Upgrading the GUI of Home Page	Work Done
5/3/2022	2	Learnt about Pagination Functionality for Library system	
7/3/2022	2	Implemented Pagination Functionality in Library System	Work Done
12/3/2022	3	Created the Student corner, PDF Newsletter and Library System responsive	Work Done
14/3/2022	3	Prepared for PPT, Logbook and Report for Presentation-2	
19/3/2022	1	Preparation of presentation2 PPT	Comments given below
21/3/2022	3	Preparing for evaluation by guide	Comments given below

Comments:**Presentation-1****Date: 24/01/2022**

1. Improve design for Unit converter pages for user friendliness.
2. Add more modules related to database operations like in admin panel add, delete, update record functionalities.

FacultyName: _____ **Faculty Name:** _____**Presentation -2****Date: 19/03/2022**

1. Task completed as per comments given in Proj-II presentation-I by internal and external examiners.
2. Use more test cases for each individual Unit Converter and other DB operations.
3. Provide appropriate title to each figure and table as per the format of the report.

FacultyName: _____ **Faculty Name:** _____**Final Overall Evaluation****Date: 28/3/2022**

1. Team members have learn a new language and framework them self and used the concept in the project work. Good coordination between team members. So All over project work is very good.
2. Project can be extended by adding new functionalities like type converter as a future work.

Faculty Name: _____
